

Press Release

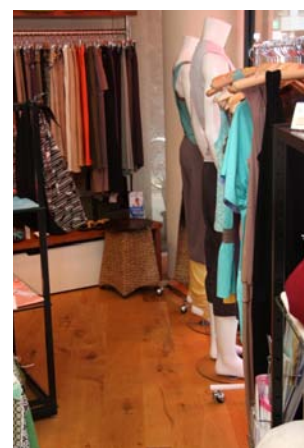

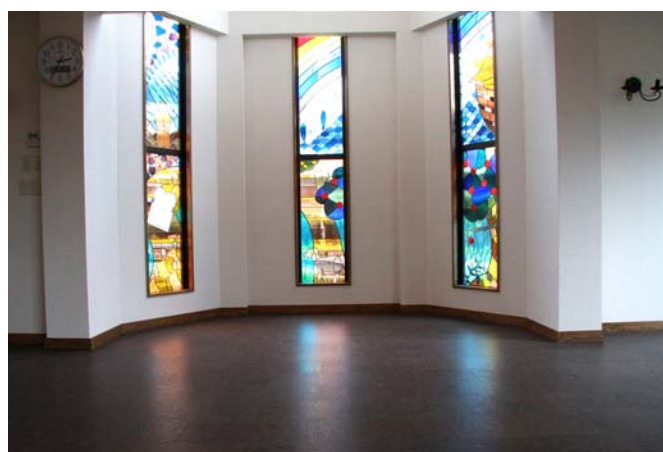

2 projects in Japan, by Amorim Revestimentos

Cork is the natural and perfect choice for those who privilege the maximum comfort and environmental harmony. All the advantages of this sustainable material combine with a wide range of decorative options with the ability to create tranquil and unique atmospheres wherever it is applied.

Reflection of this issue is the two most recent projects held in Japan that required floor coverings solutions from Amorim Revestimentos.

The first one was a Gospel Church located in Kobe, where were installed 280m² of **Corkcomfort** glued-down WRT, ref°. Nuances Castagna.

Then second project, located in Musashino-shi - Tokyo, consisted in an application of 25m² **Woodcomfort** floating WRT, ref°. Vintage Victorian at Suria-Kichijoji (Yoga Shop).

For more information please contact the respective Amorim country organisation or appointed representative.
