

## Press Release

# The comfort of cork with the appearance of wood **WICANDERS®** projects in the Netherlands and Belgium

**Wicanders®** is an openly sustainable brand, with genuine environmental awareness.

**Wicanders®** products, with particular emphasis on the new "Comfort" Product Lines, combine the renowned natural virtues of cork with excellent technical performance and cutting-edge design, fruit of sophisticated technology, know-how and creativity inspired in Nature itself.

Their capacity for insulation, reflected in savings on energy costs, comfort and wide range of looks and finishes lend character and sophistication to Amorim coverings, an option which is becoming increasingly popular with major contractors, architects and interior designers worldwide.
