

# Press Release

## Corkcomfort, the covering of choice...

Completely revolutionising the traditional concept of cork floorings, **Corkcomfort**, of the **Wicanders®** brand, has combined the natural benefits of cork with a number of completely innovative looks evoking patterns such as ceramic, stone, metal and leather, and new dimensions enabling the creation of distinctive atmospheres.

Created using sophisticated texturing, painting and bevelling techniques, the **Corkcomfort** line reinterprets styles and inspires new approaches to decoration, in constant harmony with nature and human emotions, whatever the environment.

... in the Psy Pharma offices in Phoenix, Arizona

The **Corkcomfort**, product reference Spice, with HPS (High Performance Surface) finish was used, resulting in a modern and extremely comfortable atmosphere.

... and in the Kock bakery, in Styria, Austria

With two different looks, Identity Time and Identity Tea, the result is a harmonious, welcoming and comfortable space with subtle yet profound nuances and a modern, arresting look.

For more information please contact the respective Amorim country organisation or appointed representative.
